Programme

A Three Day Workshop on “ARCHAEOLOGY AND ANTIQUARIAN LAW” (18th April 2022 to 20th April 2022)

The Heritage Club of KLE Society's Law College, Bengaluru, on the occasion of World Heritage Day, is organizing a three-day workshop on 'Archaeology and Antiquarian Law' at our college premises from 18th April 2022 to 20th April 2022, in collaboration with Archaeological Survey of India, Bangalore circle.

India is one of the richest countries in terms of Archaeological heritage—both movable and immovable. The uniqueness of the rich cultural wealth of India has made it very vulnerable to illicit trafficking. Therefore, the Government of India as well the State governments have framed various legislations for protecting our heritage property. The aim of the Workshop/Training is to introduce Law Students and Legal professionals to Archaeology and Antiquarian laws that are enacted to protect our cultural heritage and its various implications in the present society.
